Our season starts directly after the Georgia Federation State Show held every year over Labor Day Weekend at the Georgia National Fairgrounds & Agri-Center in Perry, GA.

Join one of our individual clubs and you're automatically eligible to compete for both POINTS & PAYBACK at our shows. Our Association shows rotate between our 6 clubs each year. The starting club also hosts the Jamboree at the end for EXTRA participation points. Member must show 50% of such shows and land in the TOP 6 in said class to qualify for STATE SHOW TEAM.
